

# LENCO – IP65 WALL LIGHT

## Product & Installation Details

## General Specifications

| Product Reference                 | Construction Material                    | Thermal Management                              | LED Technology                                     |
|-----------------------------------|------------------------------------------|-------------------------------------------------|----------------------------------------------------|
| <b>Environment</b><br>Outdoor     | <b>Housing</b><br>Die Cast Aluminium     | <b>Heat Sink Material</b><br>Die Cast Aluminium | <b>LED Lifetime @L70/B10</b><br>> 50000 Hrs.       |
| <b>Installation</b><br>Wall mount | <b>Body Finish</b><br>Aluminium Die cast | <b>Cooling Technique</b><br>Passive Cooling     | <b>Colour Rendering (CRI)</b><br>CRI80 as Standard |

| General Features                         | Electrical System                             | Controls                                                          | Optical System                 |
|------------------------------------------|-----------------------------------------------|-------------------------------------------------------------------|--------------------------------|
| <b>Operating Temperature</b><br>0°C-50°C | <b>Driven With</b><br>Constant Current Driver | <b>Standard</b><br>On / Off                                       | <b>Beam Direction</b><br>Fixed |
| <b>Ingress Protection (IP)</b><br>IP65   | <b>Input Voltage</b><br>220V-240V/50-60Hz     | <b>Optional</b><br>Mains / Analog / Dali<br>Bluetooth / Phase Cut | <b>Tilt</b><br>No              |
|                                          | <b>Driver</b><br>Non-Integrated               |                                                                   | <b>Swivel</b><br>No            |
